1

Watch me shine,
and then burn.
Watch me cry.
I won't learn !

2

Unforgivable!
Yes, I am!
I can't lie!
No, I can't!

3

We are free,
aren't we ?
Who said that ?
We did ?

4

If you think
that I AM free
then you are fooled.
I was fooled.

5

I love things
that I shouldn't.
I don't lie.
I wouldn't !

6

Noone can,
Noone will
understand.
It might kill me.

7

It might kill
the inner me
like a bomb
or a disease.

8

My mistakes
are repeated.
Oh, dear wisdom.
I can't reach it.

9

I am bound
in the depths
of a land
called Tartarus.

10

I had my
moments back then.
I had my
heart relieved.

11

I was shining.
I felt peace.
And then suddenly
I freeze.

12

Soul and heart
are both in fire.
Hunted by mistakes,
I have no regrets.

13

Watch me shine
and then burn.
Watch me cry.
I won't learn.

14

But try to be careful,
dear friend !
